Docket No.: 1:15CR00164-00

Mr. Alamoudi was sentenced to a period of 276 months of incarceration followed by a 3 years of supervised release. Information provided by the FBI indicated Mr. Alamoudi and the defendant communicated regularly between May 2020 and January 10, 2023. This officer notes Mr. Amin was released from the custody of the Bureau of Prisons on May 4, 2020, which would indicate Mr. Amin communicated with a convicted felon shortly after his release and disregarded this condition of his supervised release. At the time of this writing, Mr. Amin's communications with Mr. Alamoudi are under review by an FBI linguist as much of his communication was done in a foreign language over a communication platform known as Signal.

In addition to his contact with Mr. Alamoudi, the FBI's investigation revealed Mr. Amin had communication via Signal, Telegram and WhatsApp with Zubair Ahmed. Mr. Ahmed was convicted of Material Support to Terrorists, in violation of Title 18, U.S.C., § 2339(a) by the Northern District of Ohio and appeared for sentencing on July 12, 2010. Mr. Ahmed was sentenced to 120 months of imprisonment followed by 3 years of supervised release. The majority of Mr. Amin's communications with Mr. Ahmed appeared to be conducted through unapproved chat platforms.

In conjunction with their investigation the FBI conducted a check with the Bureau of Prisons which confirmed Mr. Amin, Mr. Alamoudi and Mr. Ahmed were housed together in the Federal Correctional Institute in Ashland, Kentucky. It was believed by FBI agents that this is where Mr. Amin's relationship with these individuals started.

**CONDITION 3:**

**FAILURE TO FOLLOW THE INSTRUCTIONS OF THE PROBATION OFFICER-USE OF INTERNET RELAY CHATS OR NEWSGROUPS TO PARTICIPATE IN ANY ONLINE SOCIAL ENVIRONMENT (I.E. FACEBOOK, TWITTER, SECOND LIFE, LINKEDIN, CRAIGSLIST, FACTIME, WHATSAPP, INSTAGRAM, VIDEO/AUDIO, ETC.) OR TEXTING APPLICATIONS, WHICH ALLOW THE USER INTERACTION UNLESS PRE-APPROVED AND AUTHORIZED BY THE PROBATION OFFICER AND THE COURT.**

On July 24, 2020, the undersigned met with Mr. Amin and instructed him to refrain from communicating in accordance with this directive unless otherwise approved by the Probation Office and the Court. As previously mentioned, during the FBI's investigation of Mr. Amin's seized computer, it was learned Mr. Amin had frequent correspondence with known felons. To facilitate his interactions, Mr. Amin frequently utilized Signal, Telegram and WhatsApp for his communications. This officer notes these platforms and chat applications were never approved by the Probation Office.

On July 24, 2020, the undersigned met with Mr. Amin and instructed him to refrain from communicating in accordance with this directive unless otherwise approved by the Probation Office and the Court. As previously stated, during the FBI investigation of Mr. Amin's seized computer it was learned Mr. Amin frequently corresponded in a language other than English when speaking to individuals online.
